Eilean Donan (Training Room)

Our large training room provides a relaxed and welcoming space for your meeting or training course. Fully equipped with a plasma TV screen, laptop, flipchart and pens as well as complimentary WiFi, it can also be split into two rooms for a more intimate space or to create a break-out area for smaller groups.

Meeting rooms

Ideal for interviews or meetings of 2-10 people. Urquhart, the largest meeting room, is equipped with a whiteboard and we can provide laptops, projectors and speakers to any room on request.
