

# KORMC

There for young people 24/7  
**Includem** 

# Includem in partnership with Kingdom off road motorcycle club

[www.includem.org](http://www.includem.org)

## Reflection

- 'Achieving' – How do we support our young people to achieve?
- We invite you to be innovative / creative
- We encourage you to think outside the box

# Includem

- Intensive support 365 days a year to young people and families / 24 hour helpline support
- Relationship based 1:1 support
- Needs led planning / Young people support planning
- Strength based outcomes aligned with GIRFEC
- Persistence and stickability – continued opportunities
- Community based/supporting local initiatives

# Kingdom off road motorcycle club

- Identified need
- Social awareness programme
- Local community resource
- Safer communities
- All profits being put back into further development and continuous improvement

# Partnership

- Strengthening communities by responding to identified need
- Innovation
- Recognising the key and unique strengths of each organisation
- Increasing community confidence that difficulties are being addressed
- Inclusion/integration of young people into their communities in a positive way

# Benefits

- Positive impact on family dynamics
- Community cohesion
- Reduction of crime/less police involvement
- Increased social skills / peer interactions
- Learning new skills / Qualifications – Youth development award
- Awareness of potential consequences / promotes positive decision making

# Positives

- Positive adrenaline
- Buzz / Alternative High
- Excitement
- Positive peer regard
- Healthy adolescent development
