

Recommended App Guide courtesy of The Sound Lab

ANDROID: (all free)

Meditation Kalimba

QiBrd

EtherPad

Congas

EasySynth

ARPIO

APPLE: (most free)

Launchpad: Make & Remix Music

Blocs wave: Record music live

Keezy Classic

ThumbJam

Impaktor (costs)

SoundPrism

Korg Gadget 2 Le (the Le is the light version of of Korg Gadget 2 that costs) Both have in app purchases. This is a very powerful app that has a drum machine, synths, a sequencer. Songs can be created on this.

Youtube is great for learning how to use any of these apps.
