We all need what children need! To be seen, heard,
included and valued!

Children's
Feedback

“It makes me feel
excited and
energised”

8 year old, Royston

Parents'
Feedback

“Having a turn to speak has done a
big impact on improving both their
confidence as well as being able to
explain her drawing has improved her
self esteem, thanks to you.”

Mum of 3 and 6 year olds, Baillieston

“This is the different rights. This one is the right for freedom and that one is the right to be loved, that one is the right for respect, that one is the right to privacy, that one is the right for education, the right to be heard and the right for a home, the right for clothes. Then you have the cake, there’s a strawberry layer and a chocolate layer and then there’s peach icing with sprinkles and you have some little edible pearls and then you have love, you have love-hearts all around **because you have to have a lot of love for it to actually work, you have to have a lot of love and a lot of teamwork!**”
