Data protection - please return

Please confirm you are happy for us (Children in Scotland) to retain the personal data you have provided to us on this application form.

We will use this consent as the legal basis for holding this personal data.

We need to collect your personal data (name, phone number and email address) to allow us to contact you in relation to your application.

We will use this data solely in relation to your application to the Success Looks Different award.

Data will be held securely by us in line with our privacy policy. Access our privacy policy at: <https://childreninscotland.org.uk/privacy-policy>. You can also find out about your data protection rights and how to exercise them on this page.

We will not share your personal data with anyone outwith Children in Scotland.

The individuals assessing the applications will not be given your personal data.

We will hold your personal data on our systems until the 31 December 2022 at the latest. Your information will be deleted from our systems by that point.

I am happy for Children in Scotland to retain my data and information provided as part of my application to the Success Looks Different Award.

Question 1: How do you celebrate different kinds of success at your school?

Please describe examples of where success not associated with exams has been celebrated, and how.

You may wish to include any specific examples of initiatives implemented or resources published by your school which help to demonstrate this.

Please use the next two pages for your answer. Use additional paper if required.

Question 1: additional page

Question 2: What been the impact of celebrating non-academic successes on your pupils?

You may wish to consider the impact on pupils who are being celebrated, peers, the wider student body and the school community as a whole. It may be helpful to include pupil voices to support your application. For confidentiality, please do not include names or personal information from pupils unless you have express and written permissions.

Please use the next two pages for your answer. Use additional paper if required.

Question 2: additional page

Question 3 (Optional): In recognising success looks different for everyone, how is your school supporting the wider aims and recommendations of the Inclusion Ambassador Vision Statement?

This is a chance to outline how the ways in which you celebrate success at your school align with the Inclusion Ambassadors Vision Statement or your school values.

Please use the next two pages for your answer. Use additional paper if required.

Question 3: additional page
