

## Covid Considerations

While the government has lifted restrictions, we recognise that the virus is still with us.

With that in mind, we have introduced an interim response: we ask that if you are feeling unwell with Covid symptoms or test positive, you do not attend so that the virus is not spread.

Unfortunately, we are not in a position to offer refunds if you are unable to attend an event due to Covid.

However, in these circumstances, we will offer you a place on an alternative event.

If you develop symptoms and/or test positive within 3 days of attending an event with Children in Scotland we ask that you email us at [events@childreninscotland.org.uk](mailto:events@childreninscotland.org.uk) so we may notify attendees of exposure.

## Cancellation Policy

As a charity, [Children in Scotland](#) must cover the running costs of delivering events. We are therefore not in a position to offer refunds except under extenuating circumstances, in which case an administration fee would be applied.
